General Information

- Fire Rating:** Class "A" flame rated in accordance with the ASTM E-84 Tunnel Test. Specific test results are available upon request.
- Minimum Order:** 30 linear yards. **Important: Please order accurately since re-orders cannot be guaranteed to match the original production run, and the minimum quantity of 30 linear yards must again be met.**
- Customs:** All patterns are available in custom colors for a 30 linear yard minimum; custom designs can also be created. A 50% deposit is required on all custom orders. There is a \$75.00 non-refundable charge per strike off.
- F.O.B.** Miami, FL.
- Returns/Credits:** As this product is made to order, NO RETURNS OR CANCELLATIONS are accepted once material has gone into production.
- Samples/Cuttings:** Samples of Visioné patterns are available and can be sent out overnight from our Elk Grove Village Sample Department. Samples will be of commercial match, but may vary slightly from the actual material ordered. Larger samples are available upon request.
- As this is a fine handcrafted product with specialized textured background and surface effects, natural variations are part of the inherent beauty and uniqueness of the material and should not be perceived as defects.
- Installation:** **STOP after applying 3 strips.** If there are any variations in color and/or color match, this information should be immediately communicated to your Winfield Design sales representative and/or Winfield Design at 1-800-486-6800 before proceeding any further with the installation.

Winfield Design assumes no responsibility for the installation of material beyond three strips. Under no circumstances will Winfield Design be responsible for labor. This is an industry standard.
