PATTERN #WTP4098 | THOM FILICIA
CULTIVATED LIVING

Night Sky

Thom Filicia is known for his ability to create interiors that are cool and casual, subtle and sophisticated and timely yet timeless. This same design philosophy is carried through in Cultivated Living; a diverse selection of bold large scale designs, shimmering mylar, handmade woven textiles, and printed natural fibers. The result is a distinctively modern yet classic perspective, where refined mixes with raw, and industrial elements are combined with organic textures to create a collection with a dynamic and authentic point of view.

Priced per LYD.
